

NORTH AMERICA MOTORHOME TOURS

2016 / 2017

MOTORHOME CONVOY TOURING

Motorhome convoy touring is a great way to see the world. You will have the freedom to explore the entire destination, as you can travel at your own pace through the day. You will experience very good social interaction with members of the group. Enjoy the international culture and most of all you will travel at a much cheaper price than the traditional methods of tourism.

These Motorhome tours operate in a loose convoy configuration. On an average day you will have a four hour drive and we suggest you extend that drive to seven hours to enjoy the experience.

America Canada Motorhome Tours has developed excellent itineraries through North America. Our signature tour the Alaska Highway tour has been in operation for several years and is still enjoying significant growth. The May departure tour starts in Seattle where you drive through the Canadian Rockies and then proceeding up the Alaska Highway to Anchorage. The tour concludes with a seven night inside passage cruise to Vancouver. The tour operates in reverse during August.

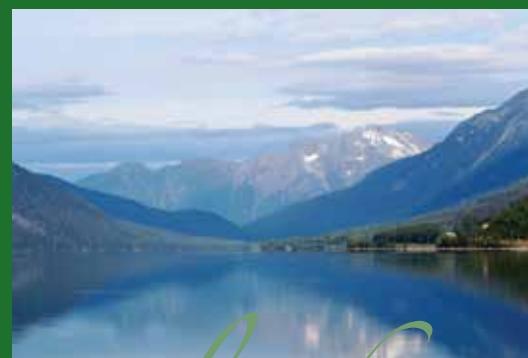

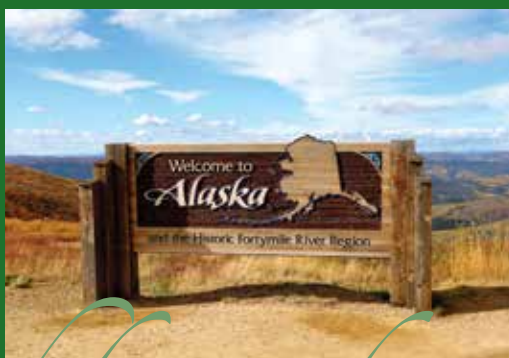

Nashville to the Caribbean tour has also been in operation for several years. This convoy starts in Miami, then proceeds to Disneyworld, Nashville, Memphis, New Orleans, Key West and then concludes with a Caribbean cruise. The tour is often described as a music tour starting with Country Music in Nashville, Jazz in Memphis and New Orleans and finishes with Caribbean music in Miami and beyond.

The Eastern Canada tour commenced in 2012 and now have itineraries planned for the next two years. This tour begins in New York then proceeds up the Atlantic coast to Nova Scotia, Prince Edward Island, Quebec, Montreal, Toronto, Niagara Falls and returning to New York. The tour concludes with three nights in New York.

The Route 66 tour commenced in 2013 and has been very popular with participating clients. Tours commencing in 2016 and beyond will be amended to include New York and Niagara Falls. The Hawaii sector will become an optional extra.

On a Motorhome tour you will have your own fully equipped Motorhome. These motorhomes come with free mileage, personal kits and insurance. They are very easy to drive as they all come with automatic transmission and cruise control.
